Dr. Joseph Pearson, Director
Colombo Museum
Colombo, Ceylon.

Dear Dr. Pearson:

At the request of Dr. Casey A. Wood now at the Hotel Suisse, Kandy, we are sending to your museum specimens of larins from the Gampola hoard which he acquired a few years ago. I have endeavored to pick out a representative lot that your museum might not have. The number in the upper corner refers to the forthcoming catalogue of this find which I have been preparing for the past year and which our Society will shortly publish. This however will not be out until the late autumn or early winter. A copy will be sent you later. Credit for these coins should be given to Dr. Casey Wood. Specimens of all the varieties listed in the catalogue are not in the collection of the American Numismatic Society.

Very truly yours,

HW:JG
